

On-call station

Information sheet

you'll need to get to the station within approximately 5 minutes

Waltham Abbey

is changing to an on-call fire station, staffed by firefighters who are available to respond to emergencies when their pager alerts.

Training night: Thursday 2–3 hours

On an **average weekly basis** how often are we needed?

5
per week

Call outs vary depending on the time of the year, but on average Waltham Abbey crews attend 5 incidents across the whole week.

On average how long am I likely to be called out for? Approximately 1 hour

How much on average could I earn as an on-call firefighter?

5500

Earnings vary depending on the hours of cover you provide and how busy the station is, but the average on-call firefighter's earnings will be £5,500 per annum, which is paid monthly.
