

On-call station

Information sheet

CLACTON

is part crewed by on-call firefighters who are available to respond to emergencies when their pager alerts.

Training night: Thursday 2–3 hours

On an **average weekly basis** how often are we needed?

Call outs vary depending on the time of the year, but on average Clacton crews attend 4 incidents across the whole week.

On average how long am I likely to be called out for? Approximately 1 hour

How much on average could I earn as an on-call firefighter?

Earnings vary depending on the hours of cover you provide and how busy the station is, but average earnings for on-call firefighters over the past 12 months were in the region of £5,000 per annum, which is paid monthly.
